3. NEW BUSINESS

4. Approval of 2025 Road Selection Change using One-Time C-Funds for District 2

Brian Faulkenberry, Infrastructure Consulting and Engineering LLC (ICE)

Mr. Faulkenberry recommended that we remove Alley Street and replace it with East Creek Rd.

Administrator Hester explained that when the council had previously voted on Option B, they went back and reassessed the roads. The road that Mr. Faulkenberry had recommended, which Mr. Vaughn thought was going to be included, was a private road, Alley Drive, which they could not use the state funds for. Mr. Hester stated that they had to use the state funds for a state road to ensure they met the required percentage. He acknowledged the confusion caused by having two roads with similar names, Alley Drive and Alley Street. Mr. Hester also stated that he would have Alley Drive assessed to see if gravel would help ensure usage of residents and public service vehicles.

Vice Chair Mosley motioned to substitute East Creek Road in place of Alley Street, seconded by Councilman Vaughn. Vote 5-0 to approve.
